Re: Sanderson v. Leg Apparel, LLC, et al.
19-cv-08423 (GHW)

Dear Judge Woods:

We represent defendants in the above-referenced matter. We write in connection with Your Honor's Order dated August 8, 2022 (Dkt. No. 255). Upon further review, defendants now conclude that the filing of Defendants' Expert Report (the "Report") with the Court and the application to file the Report under seal ("Application to Seal") (Dkt. Nos. 253 and 254) were ill-advised and not in accordance with Rule 5(d) of the Federal Rules of Civil Procedure. Defendants hereby move to strike the filing and Application to Seal.

Respectfully submitted,

SEYFARTH SHAW LLP

/s/ Maureen M. Stampf

Application granted in part and denied in part. The expert disclosure is stricken because it was not filed in accordance with F.R.C.P. 5(d). The Court did not request that filing and has not considered its substance. The motion to strike the defendants' letter seeking the sealing of that document is denied. The Court considered that motion and responded to it; the letter contains no sensitive information and is necessary to understand the Court's response and this letter.

The Clerk of Court is directed to strike Dkt. No. 254 from the docket and to terminate the motion pending at Dkt. No. 256.

SO ORDERED.
